The *Underrepresented Students and High Impact Activities* category of the Inclusion Infusion grant program supports implementation of strategies to increase the participation of students of color, first generation, low income and other students historically underrepresented in the types of activities that promote meaningful engagement in order to enhance learning and retention such as undergraduate research, service learning, study away, internships and participation in learning communities.

The **Objectives** for this category of the grant program are to:

1. Provide financial support for WSU students and employees who wish to implement strategies to increase the number of underrepresented students involved in high impact educational activities (as defined by researchers such as George Kuh).
2. Enhance learning, personal and intellectual development, and academic success of WSU students.
3. Create a multicultural milieu on campus.
4. Enhance the success of people historically underrepresented or marginalized in higher education both in terms of employment and academic achievement.

**Level of Support**: Up to $2,000.00 (Smaller requests are welcome.)

**Responsibilities**: Grant recipients will be required to provide a progress report by Monday, November 30, 2015 and a final report by Friday, July 1, 2016. They must complete the funded activities/project by Thursday, June 30, 2016. Instructions regarding how to make expenditures will be provided with notification of the grant award.

A completed application consists of responding to the following questions and completing the attached Budget Worksheet. This should be emailed to Pat Jones (patricia.d.jones@wright.edu).

**Applications are due Friday, March 13, 2015.**

**Applicant Questionnaire:**

1. Please provide your name, office/department, email and telephone number.
2. Describe your proposed project in 350 words or less.
3. Why are diversity and multiculturalism important in a higher education setting? Why at WSU?
4. What are the goals of your project?
5. How will you know if you have been successful? What are the measures you will use to assess your goals?
6. Please describe the financial requirements for your project. This will serve as the explanation for your budget worksheet.
