

# DEVELOP DESIGN DISCOVER

## OVERVIEW

This is your opportunity to shine with your design skills!!

The Wright State University- Business & Graphic Professionals are proud to announce the 2021 Annual Graphic Gateway Design Competition. There will be two rounds in this competition. The first round will consist of individual entries by the high school students at their career tech schools. The instructions for this portion are below. Once we have all the entries, judges will select the students with the top designs. They will be invited to Wright State Lake Campus to be mentored along with some of the leading graphic designers in the field at the Graphic Gateway Competition. Students will be working with others to collaborate for a dynamic learning experience.
