The Business Enterprise Center (BEC) is located in Trenary Hall at Wright State University-Lake Campus in Celina, Ohio. The Lake Campus has been helping new or existing small businesses since 1985. We offer all types of workforce development training, non-credit classes geared towards business owners or managers as well as new business start-up advising. Consulting services are free to business owners. We cannot replace your lawyer or accountant, we can help minimize those costs. We have spaces suitable for seminars, classes, and consultations. Our Maintenance Tech and Tool & Die Tech training is completed in our unique manufacturing lab. We use our Dept. of Labor-approved SkillsTrac blended learning curriculum. Training focuses on a variety of skills including electrical, motor controls, PLC’s, automation/robotics, and machining/welding. We have an engaged Advisory Board which includes members from banking, business, manufacturing, and workforce development.

The Business Enterprise Center wants to help your company improve productivity and your bottom line!
