

*Miles/Week accounts for double the amount of Trips/Week; it accounts for the drive to and from campus.

*6th & 7th Columns represent the amount of savings in a semester if the student were to live on-campus vs. the cost to drive to and from campus

*All Time Approximations are based on an average speed of 50 MPH

*Cost per mile based on IRS 2017 Standard Mileage Rate of \$0.535
