Christmas Sounds from Around the World

It’s that time of year, again! The Wright State University - Lake Campus Glee Club, Outreach Committee, and Diversity Committee are ready for their seasonal performance. Playing their version of various Yuletide songs from around the world, attendees of the November 30th spectacle will be greeted with songs from Africa, Germany, Hawaii, and more! The event will be hosted at 6 p.m. in Dicke Hall. Be prepared to leave well-fed with a spring in your step.

ABOUT THE GLEE CLUB:
The Glee Club is a student organization focused on performing vocally with additional interest and exploration in music, art, and theater. The Club was formed to add a performance dimension to what was formerly known as the Cultural Enrichment Club. In addition to exposing WSU - Lake Campus students to performances in the arts and various facets of culture, the Club is now able to allow students to explore their potential for music, dance and drama through the Glee Club.

While still relatively new, the Club has already put on two shows and performed at graduation. Any WSU-Lake Campus student interested in joining may contact Dr. Dane Daniel, the Glee Club advisor, by email at dane.daniel@wright.edu.
