

# SkillsTrac

Certifying the Advanced Manufacturing Workforce

Industrial Maintenance Technician Training  
Training Modules (color group)  
Certification Levels (each title in group)

**Blue Level**  
Industrial Automation

Text Automation Systems  
Intro to Robotics

**Red Level**  
Industrial Controls

Control Systems  
Programmable Logic Controllers

**White Level**  
Welding & Machining

Basic Machining  
Basic Welding

**Yellow Level**  
Industrial Systems

Industrial Electrical  
Pneumatics & Hydraulics  
Motor & Motors Control

**Green Level**  
Fundamentals

Maintenance Core Basics  
Print Reading & Measurement  
Mechanical Systems
