3 HOW TO SIGN UP

Visit the YMCA and provide them with your Wright One card and class schedule for the semester. Your membership is available to you while the semester is in session.

4 WHAT TO REMEMBER

Always bring your YMCA pass AND Wright One card with you to the Y. You will need to scan both upon every visit to gain entry into the facility. You will need to hand in an updated class schedule at the beginning of every semester to keep your membership active.

BENEFITS OF A Y MEMBERSHIP...

The YMCA is more than just a building with walls, it is a community. When you join the Y you join that community. We are made up of moms, dads, professionals, students like you, and anyone who strives to improve their mental, physical, and spiritual health.

We offer group exercise classes for every fitness level. Come try TRX, Refit, Ripped, Cycling, Yoga, Bootcamp, HIIT, Pump, or Barbell! Do you enjoy swimming? Try out one of our several aquatic fitness classes!

Each branch comes equipped with weight rooms, cardio rooms, gymnasiums, pools, and tracks to accommodate any type of workout. Don't forget to spend some time in the hot tub after your workout!
